

Press Release

29th June 2009

Be inspired . . . !

Kalzip has launched an exciting new international Project Gallery featuring an extensive array of stunning photos and inspiring projects. Created to showcase Kalzip's countless award-winning projects and the company's impressive record of continuous achievement throughout the last 40 years, www.kalzipgallery.com is quick and easy to use.

A multiplicity of high quality building projects from all over the world are featured on Kalzip's new Gallery ranging from the simple and unassuming to the complex and prestigious. Sophisticated yet simple to use search functions allow users to select their preferred criteria in order to view Kalzip's ever-expanding portfolio of projects.

Each project entry includes a concise profile of supporting information and product specification data together with even more detailed case studies in some instances and a stimulating variety of eye-catching photo images for instant viewing on-screen and downloading to your desk top.
